WELCOME TO THE NEW ENGLAND COLLECTION

The Six States of New England are some of the nations most historic and undeniably the most beautiful.

Here you can enjoy a friendly and relaxed pace of life whilst discovering quintessential New England villages and small towns, with picturesque village greens, covered bridges, lighthouses and fishing harbours. Enjoy distinctive New England food, such as Clam Chowder and lobster, especially along the coastline where you will also find artists colonies with galleries and museums.

From the glorious ocean beaches of Cape Cod, New Hampshire's stunning White Mountains and Vermont's Green Mountain National Forest, to the rolling Berkshire Hills and Connecticut Countryside there really is no shortage of stunning vistas and photographic opportunities in this beautiful part of north-eastern America.

Whilst the region has become famous as one of the best places in the world to view the changing fall colours, New England is a great holiday choice year round. The winter months bring opportunities throughout the region for skiing and skating and then as the days lengthen in spring the landscape offers great hiking and biking weather and also opportunities to go whale watching. Summer days are perfect for beach activity, with swimming and boating along the seashore and on freshwater lakes, and also brings a cultural feast with one festival after another throughout the different states.

Finally Autumn brings the yearly much anticipated magnificent display of fall foliage that people travel from all over the world to see.

Don't leave it any longer until you visit - New England is waiting for you!
