**Sun Peaks** is a charming village surrounded on all sides by **British Columbia's** second largest ski area. As well as uncrowded slopes and terrain suitable for all abilities, **Sun Peaks'** climate means it doesn't suffer the deep freeze of Banff, the rain of Whistler or the high altitudes of Colorado. You can now experience Sun Peaks for yourself this winter by choosing to stay at **'The Director's Residence'**, our own private accommodation offered exclusively to you.
